

Dominica Application Checklist

- One complete and notarized copy of Application Forms D1, D2, D3 and D4 for all applicants over 16 years
- Two Notarised copies of Application form 12 required on each applicant, children included.
- Letter of Employment, or if self-employed, corporate documents and your latest Audited Financial Statement.
- Two Notarised copies of the Birth Certificate for each applicant.
- Proof of residential address for the Main Applicant - note the address must match perfectly on the utility bill to the address on the application forms.
- Certified Copy of Military Record if applicable.
- Bank statements for the last 12 months.
- Original signed reference letter from your bank, required of the main applicant. It must show you have held an account for a minimum of two years.
- A professional reference letter is required for the main applicant only and must be on corporate header paper.
- Police record from your country of birth, and from your country of residence if different for all applicants over 16. Children aged 12 -15 must have a sworn affidavit that they do not have a criminal record.
- Notarized Marriage certificate/and notarized dissolution of marriage (if applicable).
- Certified copy of Passport, driving license, residency permits and national identity cards if applicable.
- Letter of application addressed to the Minister requesting citizenship
- Resume or detailed background report for all working applicants.
- Eight passport size photos. Photos must be on a white background with ears showing.
- Notarized copies of university/college diplomas, if applicable.
- An original letter of recommendation from the Principal/Dean of the school or university for children in education

All original documents that are not in the English language must be legally translated and notarised. We require the original and the translated copies.
